## Southwest Ballroom Dance Teachers Academy

~~~~~

The Southwest Ballroom Dance Teachers Academy, Ballroom dance training is an ideal program for those who wish to teach ballroom dance, for current teachers seeking DVIDA certification, or for those who wish to acquire thorough technical mastery in their dancing.

Learn how to dance and how to teach seventeen Smooth (Waltz, Tango Foxtrot, Viennese Waltz), Rhythm (Rumba, Cha Cha, Bolero, East Coast Swing, Mambo, Merengue, Samba, West Coast Swing) and Nightclub (Salsa, Hustle, Nightclub Two-Step, Argentine Tango, Lindy Hop) dances.

Our 12-month program is made up of four quarters lasting approximately 3 months each. Each quarter is instructed through a series of 3-day weekend sessions (16 hours per weekend). This schedule, though demanding, allows those with full time jobs to pursue this program while maintaining their current employment, and allows students who do not live in the Phoenix area to participate as well.

The Rhythm II Quarter (Mambo, Merengue, Samba, and WCS) is organizing now to begin in October.
